From the office of
Chairman

Dear Family Members,

It was with deep regret that I learnt about the sad & unfortunate demise of Shri. P. R. Krishna Kumar.

He was one of my best friend and closely connected to me. I also visited his house once and had dined with him. He used to affectionately address me as "Chetta"(Elder Brother) . I always found him to be very concerned, caring and affectionate towards my health. His demise is a personal loss to me too!!

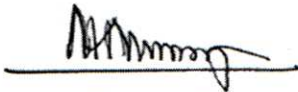

I also understand what a serious loss it is to the whole family. I cannot imagine the depth of sorrow as this will be a very difficult period for all of you especially.

I wish I had words to comfort you in your grief, but I know there are none that will take away any pain that you are feeling now, except God Almighty's grace and blessings.

Please accept my heartfelt condolences to the entire family. May God give all of you the strength to bear this sudden and untimely loss.

May the departed Soul attain Moksha.

With Regards & Prayers,

M G George Muthoot
