Dear Dr. Ramkumar,

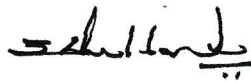

We are writing to express our deepest condolences for the loss of your uncle Padmashri Dr. P.R. Krishnakumar.

The Vaidyaratnam Group has always had an affinity for your family. Our relationship started many years ago. The demise of Dr. Krishnakumar is a personal loss for us too.

He had played a pivotal role in gaining global acceptance for Ayurveda. We have had the privilege of associating with him in many Ayurveda organizations. He will be remembered for his organizational skills, love for fellow human beings, simplicity, and courage. His memories will continue to inspire us.

Our hearts go out to the bereaved family. May his soul rest in peace.
